

ÉCOLE DE MER 2022
EMPLOI DU TEMPS 2022

Sunday
Dimanche

15h	<p>Arrivée Arrival</p> <p>All students will need to be on site at 3.00 p.m. Sunday for antigen testing. Our hospital-grade antigen tests are conducted by a nurse. Testing is completed outdoors, within our gated complex. On receipt of a negative result, students and staff enter the premises. Parents guardians are not allowed to enter, due to Covid-19 guidelines. Students are not permitted to use public transport to come to Ecole de Mer. A parent nominated guardian must be present until a negative Covid-19 test result has been processed. We recommend that students attending Ecole de Mer limit their contacts in the days prior to arrival to minimise risk of infection.</p>
